

## 2010 Alexana Pinot Gris

### THE PROPERTY

The Revana Vineyard is located in the Dundee Hills appellation of Oregon's Willamette Valley. This unique appellation is marked by distinct geographic elements that effectively insulate this region from the dramatic weather variations experienced in other nearby growing areas. True to the appellation, our 80-acre property possesses an incredibly diverse and complex series of soils and exposures. Located between 360 and 640 feet above sea level, the site has eighteen soil types spread over a combination of rolling hills, steep slopes and some rugged terrain.

### 2008 GROWING SEASON

The 2010 growing season began after a relatively dry and warm winter (one of the warmest on record). Bud break occurred in late March, about a month earlier than the 2009 season. Growth was then stalled by cold, rainy conditions, including the wettest June on record. A long, cool growing season followed. Near perfect weather arrived for four weeks at the end of the growing season, allowing for long hang times to develop the complexity and physiological maturity of the fruit.

### TASTING NOTES

The 2010 Revana Vineyard estate Alexana Pinot Gris expresses aromas of soft minerality, anise, bright apple and spiced Bartlett pear, sensually evolving into a dynamic wine bursting with jasmine, rich green apple and intense flora. A perfect balance between silky and clean, with nice acidity and weight, the 2010 embraces the palate, lingering with explosions of fruit. Only 184 cases produced.
