2021 'GRAN RESERVA' MALBEC LOS CHACAYES I.G. - UCO VALLEY

Malbec is the common thread between our vineyard sites. The Gran Reserva arises from the selection of the best barrels of Malbec from each vineyard site. With this blend of top barrels from each vintage, we create a very complex wine with great depth that maintains the elegance we strive for in all our wines.

New and second-use barrels of two sizes, 225 and 160 liters, tame the tannins that come from the concentration of the clusters in the vineyard - the result of leaving a single cluster per shoot. Aging 18 to 24 months in barrel gives the last touch of finesse to this super premium Malbec.

VARIETY

100% Malbec

VINEYARD

100% Corazon del Sol Estate,
Los Chacayes I.G. - Block 6, 13, & 22
